**1. Has the country developed a national multisectoral strategy/action framework to combat AIDS?**

Yes

**IF YES, period covered:**

2006-2010

**1.1 How long has the country had a multisectoral strategy/action framework?**

07

**1.2 Which sectors are included in the multisectoral strategy/action framework with a specific HIV budget for their activities?**

Health:	<b>Strategy/Action framework</b>	Yes
Education:	<b>Strategy/Action framework</b>	Yes
Labour:	<b>Strategy/Action framework</b>	Yes
Transportation:	<b>Strategy/Action framework</b>	Yes
Military/Police:	<b>Strategy/Action framework</b>	Yes
Women:	<b>Strategy/Action framework</b>	Yes
Young people:	<b>Strategy/Action framework</b>	Yes
Agriculture:	<b>Strategy/Action framework</b>	No
Finance:	<b>Strategy/Action framework</b>	No
Human Resources:	<b>Strategy/Action framework</b>	No
Justice:	<b>Strategy/Action framework</b>	No
Minerals and Energy:	<b>Strategy/Action framework</b>	No
Planning:	<b>Strategy/Action framework</b>	No
Public Works:	<b>Strategy/Action framework</b>	No
Tourism:	<b>Strategy/Action framework</b>	No
Trade and Industry:	<b>Strategy/Action framework</b>	No

**1.3 Does the multisectoral strategy/action framework address the following target populations, settings and cross-cutting issues?**

- |   |     |
|---|-----|
| a. Women and girls:                           | Yes |
| b. Young women/young men:                     | Yes |
| c. Specific vulnerable sub-populations:       | Yes |
| d. Orphans and other vulnerable children:     | Yes |
| e. Workplace:                                 | Yes |
| f. Schools:                                   | Yes |
| g. Prisons:                                   | Yes |
| h. HIV, AIDS and poverty:                     | Yes |
| i. Human rights protection:                   | Yes |
| j. Involvement of people living with HIV:     | Yes |
| k. Addressing stigma and discrimination:      | Yes |
| l. Gender empowerment and/or gender equality: | Yes |

**1.4 Were target populations identified through a process of a needs assessment or needs analysis?**

Yes

**IF YES, when was this needs assessment /analysis conducted? Year:**

2005

**1.5 What are the target populations in the country?**

Enfants (0-15 ans), OEV (0-18 ans), Jeunes (15-24), femmes et jeunes filles, couples discordants, population rurale, corps habillés et combattants, PS, HSH, Enseignement, population carcerale, migrant, routier, consommateurs de drogue, travailleurs.

**1.6 Does the multisectoral strategy/action framework include an operational plan?**

Yes

**1.7 Does the multisectoral strategy/action framework or operational plan include:**

- |  |     |
|--|-----|
| a. Formal programme goals? :                         | Yes |
| b. Clear targets and/or milestones? :                | Yes |
| c. Detailed budget of costs per programmatic area? : | Yes |
| d. Indications of funding sources?:                  | Yes |
| e. Monitoring and Evaluation framework? :            | Yes |

**1.8 Has the country ensured “full involvement and participation” of civil society in the development of the multisectoral strategy/action framework?**

Active involvement

**IF active involvement, briefly explain how this was done:**

L'analyse de la situation en vue de l'élaboration du Plan Stratégique a été faite par les acteurs de la société civile et validée au cours d'un atelier. Par la suite, des groupes de travail incluant les membres de la société civile ont été formés pour réfléchir sur les axes retenus après l'analyse de la situation. Ces différentes réflexions ont abouti à l'élaboration du plan stratégique national de lutte contre le SIDA 2006-2010.

**1.9 Has the multisectoral strategy/action framework been endorsed by most external Development Partners (bi-laterals; multi-laterals)?**

Yes

**1.10 Have external Development Partners (bi-laterals; multi-laterals) aligned and harmonized their HIV and AIDS programmes to the national multisectoral strategy/action framework?**

Yes, some partners

**2. Has the country integrated HIV and AIDS into its general development plans such as:**  
**a) National Development Plans,**  
**b) Common Country Assessments/United Nations Development Assistance Framework,**  
**c) Poverty Reduction Strategy Papers,**  
**d) Sector Wide Approach?**

Yes

**2.1 IF YES, in which development plans is policy support for HIV and AIDS integrated?**

c) Poverty Reduction Strategy Papers:

**3. Has the country evaluated the impact of HIV and AIDS on its socio-economic development for planning purposes?**

No

**4. Does the country have a strategy/action framework for addressing HIV and AIDS issues among its national uniformed services such as military, police, peacekeepers, prison staff, etc?**

Yes

**4.1 IF YES, which of the following programmes have been implemented beyond the pilot stage to reach a significant proportion of one or more uniformed services?**

Behavioural change communication:	Yes
Condom provision :	Yes
HIV testing and counselling(*):	Yes
STI services :	Yes
Treatment:	Yes
Care and support :	Yes

**(\*If HIV testing and counselling has been implemented for uniformed services beyond the pilot stage, what is the approach taken? <br>**

**Is it voluntary or mandatory (e.g. at enrolment)? Briefly explain:**

Volontaire

**5. Has the country followed up on commitments towards universal access made during the High-Level AIDS Review in June 2006?**

Yes

**5.1 Has the National Strategic Plan/operational plan and national AIDS budget been revised accordingly?**

Yes

**5.2 Have the estimates of the size of the main target population sub-groups been updated?**

Yes

**5.3 Are there reliable estimates and projected future needs of the number of adults and children requiring antiretroviral therapy?**

Estimates and projected needs

**5.4 Is HIV and AIDS programme coverage being monitored?**

Yes

**(a) IF YES, is coverage monitored by sex (male, female)?**

No

**(b) IF YES, is coverage monitored by population sub-groups?**

No

**(c) IF YES, is coverage monitored by geographical area?**

Yes

**IF YES, at which levels (provincial, district, other)?**

Région - Département ( district sanitaire)

**5.5 Has the country developed a plan to strengthen health systems, including infrastructure, human resources and capacities, and logistical systems to deliver drugs?**

Yes

**Overall, how would you rate strategy planning efforts in the HIV and AIDS programmes in 2007 and in 2005?**

2007:	9
2005:	7

**Comments on progress made in strategy planning efforts since 2005:**

Le plan 2005 était un plan intérimaire en vue de préparer le plan stratégique 2006-2010. ce nouveau plan stratégique a pris en compte les faiblesses relevées lors de la mise en oeuvre des plans précédents. Pour son évaluation on s'est appuyé sur les données de EIS.

**1. Do high officials speak publicly and favourably about AIDS efforts in major domestic fora at least twice a year?**

President/Head of government : Yes

Other high officials : Yes

Other officials in regions and/or districts : Yes

**2. Does the country have an officially recognized national multisectoral AIDS management/coordination body? (National AIDS Council or equivalent)?**

Yes

**2.1 IF YES, when was it created? Year:**

2004

**2.2 IF YES, who is the Chair?**

Name:

S.E. LAURENT GBAGBO

Title/Function:

Président de la république, président du CNLS

**2.3 IF YES, does it:**

have terms of reference? :	Yes
have active Government leadership and participation? :	Yes
have a defined membership?:	Yes
include civil society representatives? (*):	Yes
include people living with HIV?:	Yes
include the private sector?:	Yes
have an action plan?:	Yes
have a functional Secretariat? :	Yes
meet at least quarterly?:	No
review actions on policy decisions regularly?:	Yes
actively promote policy decisions?:	Yes
provide opportunity for civil society to influence decision-making?:	Yes
strengthen donor coordination to avoid parallel funding and duplication of effort in programming and reporting?:	Yes

**3. Does the country have a national AIDS body or other mechanism that promotes interaction between government, people living with HIV, civil society and the private sector for implementing HIV and AIDS strategies/programmes?**

Yes

**3.1 IF YES, does it include?**

Terms of reference :	Yes
Defined membership :	Yes
Action plan :	Yes
Functional Secretariat :	Yes
Regular meetings (*):	Yes

**(\*)If it does include regular meetings, what is the frequency of the meetings:**

01 réunion par an

**IF YES, What are the main achievements?**

Elaboration du Plan Strategique 2006-2010

**4. What percentage of the national HIV and AIDS budget was spent on activities implemented by civil society in the past year?**

4,77%

**5. What kind of support does the NAC (or equivalent) provide to implementing partners of the national programme, particularly to civil society organizations?**

Information on priority needs and services : Yes

Technical guidance/materials: Yes

Drugs/supplies procurement and distribution : Yes

Coordination with other implementing partners : Yes

Capacity-building : Yes

**6. Has the country reviewed national policies and legislation to determine which, if any, are inconsistent with the National AIDS Control policies?**

No

**Overall, how would you rate the political support for the HIV and AIDS programmes in 2007 and in 2005?**

2007: 9

2005: 7

**Comments on progress made in political support since 2005:**

Le plan 2005 était un plan intérimaire en vue de préparer le plan strategique 2006-2010. ce nouveau plan stratégique a pris en compte les faiblesses relevées lors de la mise en oeuvre des plans précédents. Pour son évaluation on s'est apuyé sur les données de EIS.

**1. Does the country have a policy or strategy that promotes information, education and communication (IEC) on HIV to the general population?**

Yes

**1.1 IF YES, what key messages are explicitly promoted?**

Be sexually abstinent:

Delay sexual debut:

Be faithful:

Reduce the number of sexual partners:

Use condoms consistently:

Engage in safe(r) sex:

Greater acceptance and involvement of people living with HIV:

**1.2 In the last year, did the country implement an activity or programme to promote accurate reporting on HIV by the media?**

Yes

**2. Does the country have a policy or strategy promoting HIV-related reproductive and sexual health education for young people?**

Yes

**2.1 Is HIV education part of the curriculum in**

primary schools? : Yes

secondary schools? : Yes

teacher training? : Yes

**2.3 Does the country have an HIV education strategy for out-of-school young people?**

No

**3. Does the country have a policy or strategy to promote information, education and communication (IEC) and other preventive health interventions for vulnerable sub-populations?**

Yes

**3.1 IF YES, which sub-populations and what elements of HIV prevention do the policy/strategy address?**

Targeted information on risk reduction and HIV education:	MSM
Targeted information on risk reduction and HIV education:	Sex workers
Targeted information on risk reduction and HIV education:	Clients of sex workers
Targeted information on risk reduction and HIV education:	Prison inmates
Condom promotion:	MSM
Condom promotion:	Sex workers
Condom promotion:	Clients of sex workers
Condom promotion:	Prison inmates
HIV testing & counselling:	MSM
HIV testing & counselling:	Sex workers
HIV testing & counselling:	Clients of sex workers
HIV testing & counselling:	Prison inmates

**Overall, how would you rate policy efforts in support of HIV prevention in 2007 and in 2005?**

2007:	8
2005:	7

**Comments on progress made in policy efforts in support of HIV prevention since 2005:**

La strategie nationale de communication pour le changement de comportement a été élaborée et elle couvre la période de 2005-2008

**4. Has the country identified the districts (or equivalent geographical/ decentralized level) in need of HIV prevention programmes?**

No

**IF NO, how are HIV prevention programmes being scaled-up?:**

L' objectif des programme de prévention est d'atteindre toute la population quelque soit son lieu et son milieu. Toutes les zone géographique du pays sont donc visées.

**Overall, how would you rate the efforts in the implementation of HIV prevention programmes in 2007 and in 2005?**

2007:	8
2005:	7
2007:	5
2005:	3

**Comments on progress made in the implementation of HIV prevention programmes since 2005:**

L'analyse de la situation pour l'élaboration du plan stratégique a révélé que les activités de sensibilisation étaient encore faible surtout en milieu rural et en direction de certaines populations cibles. Dans la perspectives de corriger ces insuffisances, un plan d'intensification de la prévention a été élaborées afin de toucher toutes les populations.

**1. Does the country have a policy or strategy to promote comprehensive HIV treatment, care and support? (Comprehensive care includes, but is not limited to, treatment, HIV testing and counselling, psychosocial care, and home and community-based care).**

Yes

**1.1 IF YES, does it give sufficient attention to barriers for women, children and most-at-risk populations?**

Yes

**2. Has the country identified the districts (or equivalent geographical/decentralized level) in need of HIV and AIDS treatment, care and support services?**

No

**IF NO, how are HIV and AIDS treatment, care and support services being scaled-up?**

L'objectif est de décentraliser la prise en charge pour couvrir tout le territoire en service de traitement, de soins et soutien pour permettre à tous les PVVIH d'avoir accès à la prise en charge.

**3. Does the country have a policy for developing/using generic drugs or parallel importing of drugs for HIV?**

Yes

**4. Does the country have access to regional procurement and supply management mechanisms for critical commodities, such as antiretroviral drugs, condoms, and substitution drugs?**

No

**Overall, how would you rate the efforts in the implementation of HIV treatment, care and support services in 2007 and in 2005?**

2007:	6
2005:	5

**Comments on progress made since 2005:**

Des efforts sont accomplis à travers le programme national de prise en charge des OEV, mais beaucoup reste à faire pour répondre aux besoins des enfants.

**5. Does the country have a policy or strategy to address the additional HIV- or AIDS-related needs of orphans and other vulnerable children (OVC)?**

Yes

**5.1 IF YES, is there an operational definition for OVC in the country?**

Yes

**5.2 IF YES, does the country have a national action plan specifically for OVC?**

Yes

**5.3 IF YES, does the country have an estimate of OVC being reached by existing interventions?**

Yes

**IF YES, what percentage of OVC is being reached?**

4,31%

**Overall, how would you rate the efforts to meet the needs of orphans and other vulnerable children?**

2007: 6

2005: 5

**Comments on progress made in efforts to meet the needs of OVC since 2005:**

Des efforts sont accomplis à travers le programme national de prise en charge des OEV, mais beaucoup reste à faire pour répondre aux besoins des enfants.

**1. Does the country have one national Monitoring and Evaluation (M&E) plan?**

Yes

**IF YES, Years covered:**

2006-2010

**1.1. IF YES, was the M&E plan endorsed by key partners in M&E?**

Yes

**1.2. IF YES, was the M&E plan developed in consultation with civil society, including people living with HIV?**

Yes

**1.3. IF YES, have key partners aligned and harmonized their M&E requirements (including indicators) with the national M&E plan?**

Yes, most partners

**2. Does the Monitoring and Evaluation plan include?**

a data collection and analysis strategy : Yes

behavioural surveillance : Yes

HIV surveillance : Yes

a well-defined standardized set of indicators : Yes

guidelines on tools for data collection : Yes

a strategy for assessing quality and accuracy of data : Yes

a data dissemination and use strategy : Yes

**3. Is there a budget for the M&E plan?**

Yes

**3.1 IF YES, has funding been secured?**

No

**4. Is there a functional M&E Unit or Department?**

Yes

**4.1 IF YES, is the M&E Unit/Department based**

in the NAC (or equivalent)? : No

in the Ministry of Health? : No

**Number of temporary staff:**

06

**4.3 IF YES, are there mechanisms in place to ensure that all major implementing partners submit their M&E data/reports to the M&E Unit/Department for review and consideration in the country's national reports?**

Yes

**IF YES, does this mechanism work? What are the major challenges?**

Le mecanisme ne fonctionne pas. les difficultés sont que tous les acteurs ne sont pas formés. Il faut également relever l'insuffisance de ressources (matérielle, financière et humaine).

**4.4 IF YES, to what degree do UN, bi-laterals, and other institutions share their M&E results?**

3

**5. Is there an M&E Committee or Working Group that meets regularly to coordinate M&E activities?**

Yes, but meets irregularly

**5.1 Does it include representation from civil society, including people living with HIV?**

Yes

**IF YES, describe the role of civil society representatives and people living with HIV in the working group**

Participation à l'élaboration de la politique nationale de SE  
Assiste l'unité de SE dans la coordination des activités de SE de leur secteur

**6. Does the M&E Unit/Department manage a central national database?**

Yes

**6.1 IF YES, what type is it?**

CRIS-ONUSIDA et MRS-CI du MLS

**6.2 IF YES, does it include information about the content, target populations and geographical coverage of programmatic activities, as well as their implementing organizations?**

Yes

**6.3 Is there a functional Health Information System (HIS)?**

National level : Yes

Sub-national level (\*): Yes

**6.4 Does the country publish at least once a year an M&E report on HIV, including HIV surveillance data?**

No

**7. To what extent are M&E data used in planning and implementation?**

4

**What are examples of data use?**

Prevalence  
comportement à risque  
Groupe cible

**What are the main challenges to data use?**

RAS

**8. In the last year, was training in M&E conducted**

At national level? :		Yes
At national level? :	IF YES, Number of individuals trained:	31
At sub-national level? :		Yes
At sub-national level? :	IF YES, Number of individuals trained:	543
Including civil society? :		Yes

**Overall, how would you rate the M&E efforts of the AIDS programme in 2007 and in 2005?**

2007:	8
2005:	7

**1. Does the country have laws and regulations that protect people living with HIV against discrimination? (such as general non-discrimination provisions or provisions that specifically mention HIV, focus on schooling, housing, employment, health care etc.)**

No

**2. Does the country have non-discrimination laws or regulations which specify protections for vulnerable sub-populations?**

No

**3. Does the country have laws, regulations or policies that present obstacles to effective HIV prevention, treatment, care and support for vulnerable sub-populations?**

No

**4. Is the promotion and protection of human rights explicitly mentioned in any HIV policy or strategy?**

Yes

**5. Is there a mechanism to record, document and address cases of discrimination experienced by people living with HIV and/or most-at-risk populations?**

Yes

**IF YES, briefly describe this mechanism**

le fascicule stipule que "toute personne infectée à la possibilité de saisir la commission nationale des droits de l'homme pour les cas de discrimination et de stigmatisation à l'encontre des PVVIH.

C'est cas s'inscrivent dans les attributions quotidiennes des structures étatiques à charge de ses questions. La structure est saisie officiellement par courrier. Il peut exister une autosaisine faite après constat. La structure décide d'engager une procédure à l'effet de rétablir la personne dans ses droits. Cette procédure passe par une audition et une enquête. Une conclusion est tirée en fonction des résultats de l'enquête.

**6. Has the Government, through political and financial support, involved most-at-risk populations in governmental HIV-policy design and programme implementation?**

Yes

**IF YES, describe some examples**

Selon le plan stratégique national:

- les jeunes en milieu rural
- les consommateurs de drogues
- les PVVIH
- les enfants, les OEV
- le personnel de santé
- mes MSM
- les migrants et les routiers
- les professionnels du sexe
- les corps habillés
- les travailleurs du secteur privé
- les enseignants
- les populations carcérales

**7. Does the country have a policy of free services for the following:**

HIV prevention services :	Yes
Anti-retroviral treatment :	Yes
HIV-related care and support interventions :	No

**IF YES, given resource constraints, briefly describe what steps are in place to implement these policies:**

- La gratuité du test de dépistage volontaire
- L'instauration du test de dépistage pendant les CPN
- Passage à échelle des centres de PEC

**8. Does the country have a policy to ensure equal access for women and men, to prevention, treatment, care and support? In particular, to ensure access for women outside the context of pregnancy and childbirth?**

Yes

**9. Does the country have a policy to ensure equal access for most-at-risk populations to prevention, treatment, care and support?**

Yes

**9.1 Are there differences in approaches for different most-at-risk populations?**

Yes

**IF YES, briefly explain the differences:**

Oui, dans le plan stratégique national, il est pris en compte les populations vulnérables sans distinction ainsi qu'un programme particulier les ciblant.

**10. Does the country have a policy prohibiting HIV screening for general employment purposes (recruitment, assignment/relocation, appointment, promotion, termination)?**

No

**11. Does the country have a policy to ensure that AIDS research protocols involving human subjects are reviewed and approved by a national/local ethical review committee?**

Yes

**11.1 IF YES, does the ethical review committee include representatives of civil society and people living with HIV?**

Yes

**IF YES, describe the effectiveness of this review committee**

Le comité éthique a un avis consultatif sur la recherche et le mise en oeuvre thérapeutique en Côte d'Ivoire. Pour cela, il statue sur tous les essais cliniques réaliste en CI.

**12. Does the country have the following human rights monitoring and enforcement mechanisms?**

- Existence of independent national institutions for the promotion and protection of human rights, including human rights commissions, law reform commissions, watchdogs, and ombudspersons which consider HIV-related issues within their work: Yes

- Focal points within governmental health and other departments to monitor HIV-related human rights abuses and HIV-related discrimination in areas such as housing and employment: No

- Performance indicators or benchmarks for compliance with human rights standards in the context of HIV efforts: No

- Performance indicators or benchmarks for reduction of HIV-related stigma and discrimination: No

**13. Have members of the judiciary (including labour courts/employment tribunals) been trained/sensitized to HIV and AIDS and human rights issues that may come up in the context of their work?**

No

**14. Are the following legal support services available in the country?**

Legal aid systems for HIV and AIDS casework: Yes

Private sector law firms or university-based centres to provide free or reduced-cost legal services to people living with HIV: Yes

Programmes to educate, raise awareness among people living with HIV concerning their rights: No

**15. Are there programmes designed to change societal attitudes of stigmatization associated with HIV and AIDS to understanding and acceptance?**

Yes

**IF YES, what types of programmes?**

Media : Yes

School education : Yes

Personalities regularly speaking out : No

**Overall, how would you rate the policies, laws and regulations in place to promote and protect human rights in relation to HIV and AIDS in 2007 and in 2005?**

2007: 1

2005: 1

**1. To what extent has civil society contributed to strengthening the political commitment of top leaders and national policy formulation?**

3

**2. To what extent have civil society representatives been involved in the planning and budgeting process for the National Strategic Plan on AIDS or for the current activity plan (e.g. attending planning meetings and reviewing drafts)**

5

**3. To what extent are the services provided by civil society in areas of HIV prevention, treatment, care and support included**

a. in both the National Strategic plans and national reports?: 4

b. in the national budget?: 1

**4. Has the country included civil society in a National Review of the National Strategic Plan?**

Yes

**IF YES, when was the Review conducted? Year:**

2006

**5. To what extent is the civil society sector representation in HIV-related efforts inclusive of its diversity?**

4

**List the types of organizations representing civil society in HIV and AIDS efforts:**

Les syndicats  
Les réseaux  
Les associations  
Les religieux  
Les élèves

**6. To what extent is civil society able to access**

a. adequate financial support to implement its HIV activities?: 2

b. adequate technical support to implement its HIV activities?: 4

**Overall, how would you rate the efforts to increase civil society participation in 2007 and in 2005?**

2007: 3

2005: 2

**Comments on progress made in increasing civil society participation since 2005:**

La société civile est de plus en plus associée dans les prises décision, la mise en oeuvre des activités.  
Le renforcement de capacités de la société civile pour la rendre plus opérationnelle.  
Participation de la société civile aux instances de décision tels que le CCM; meilleure organisation de la société civile.

**1. Has the country identified the districts (or equivalent geographical/decentralized level) in need of HIV prevention programmes?**

Yes

**1. Has the country identified the districts (or equivalent geographical/decentralized level) in need of HIV and AIDS treatment, care and support services?**

Yes

**Overall, how would you rate the efforts in the implementation of HIV treatment, care and support services in 2007 and in 2005?**

2007: 6

2005: 4

**Comments on progress made in the implementation of HIV treatment, care and support services since 2005:**

Malgré les droits disponible, les procédures pour y accéder sont très lourdes ce qui ne permet pas de percevoir l'efficacité du programme.

**2. What percentage of the following HIV programmes or services is estimated to be provided by civil society?**

Prevention for youth :	<25%
Prevention for IDU :	<25%
Prevention for MSM :	<25%
Prevention for sex workers :	<25%
Counselling and Testing :	<25%
Clinical services (OI/ART)* :	<25%
Home-based care :	<25%
Programmes for OVC** :	<25%

**3. Does the country have a policy or strategy to address the additional HIV and AIDS-related needs of orphans and other vulnerable children (OVC)?**

Yes

**3.1 IF YES, is there an operational definition for OVC in the country?**

Yes

Yes

**3.3 IF YES, does the country have an estimate of OVC being reached by existing interventions?**

Yes

**IF YES, what percentage of OVC is being reached?**

8,8%

**Overall, how would you rate the efforts to meet the needs of orphans and other vulnerable children?**

2007: 9

2005: 7

**Comments on progress made since 2005:**

Le plan 2005 était un plan intérimaire en vu de préparer le plan stratégique 2006-2010. ce nouveau plan stratégique a pris en compte les faiblesses relevées lors de la mise en oeuvre des plans précédants. Pour son élaboration on s'est appuyé également sur les données de l'EIS-2005.
